Mystery Remains Unsolved! Newsletters Disappear!! What an attack!

You may wonder why you've not received a newsletter from us in such a long time. Our last two mailings disappeared and the investigation has reached a dead end at the US Post Office...from November 2007 and January 2008 two thousand two hundred letters vanished! In order to reconnect with us by e-mail and through new avenues of support, **please fill out and send in your current mailing and, more importantly, your current e-mail address on the enclosed form whether you send in a gift or not.** We are changing over to regular internet contact with those of you who have kept in touch with us over the years. We will continue some paper mailings as well.

WONDERFUL Prophecies Coming Forth for France!

From many corners we are hearing that a great revival is moving for France within the next 3 years, one that will draw seekers from throughout the world. We loved the description by one prophetic voice that said **"Everything that France is known for in the natural, it will become known for in the spiritual ...Fresh bread, good wine, beautiful garments, extravagant fragrances, and passionate love."** A right understanding of God's covenant plan for unity between the Church and the Jews is necessary for this revival to gain momentum. Please pray for us as we teach that replacement theology is a great heresy that limits the destiny of the Body.

CONFERENCE IN NUREMBERG, GERMANY--HITLER'S SPIRITUAL HEADQUARTERS:

Hitler's Nazi reign of terror was spiritually fed and ultimately crushed in Nuremberg. We taught at one of the largest free churches in that city on **"The Blessed Inheritance from the Children of Abraham,"** instructing a new generation of German believers about God's gift of the Jews and what the body of Messiah has lost by eliminating its Jewish foundation.

As we toured the city with our host, what a shock it was to stand where Hitler had addressed hundreds of thousands chanting in religious fervor their allegiance to him.

(Photo on left) Now his "podium" overlooks an old parking lot and weed covered stone stadium benches. Hitler used many techniques to create a spiritual atmosphere

where he became "god" to the Nazis. Beams of powerful light surrounded his night rallies, creating a "cathedral of light" while he "preached" his hateful rantings. In Nuremberg's Documentation Center we saw how Hitler began war against the Jews by **changing laws** after he gained power through elections, intimidation and fear. Ironically, the Nuremberg Trials after WWII set the precedent for the world that individuals will be held **legally** responsible for war crimes against humanity.

Messianic Yeshiva Approved for France by International Association of Messianic Congregations and Synagogues (IAMCS):

The IAMCS has an ordination program for training leaders for the Messianic movement. We've been given the go-ahead to translate this program into French and offer leadership training for French Jewish believers! David spoke with a Messianic Jewish leader of age 70 who said that training is critical for the future of Jewish believers in France. Right now he said 95% of Jewish believers in France are in churches with little recognition of their heritage. David is the European Representative of the IAMCS and is on its Steering Committee so he will work with the Rabbi of the Messianic Congregation of Paris to complete this important task. Please pray for accuracy in the translation and for those who will be trained.

French Pastor beaten up and left for dead while rescuing young woman: For years we have worked with Pastor David Thabot who has a dynamic church in Paris. He is a real lover of Israel and is moving his church to understand their relationship to the Jews. He is also a Good Samaritan in the dangerous outskirts of Paris. One early evening he went to the grocery store and came upon a young man strangling a woman. As David intervened to save her, the attacker turned his wrath on him. *"He grabbed my throat and it was at that moment I realized I had no strength! I was on a two-week fast and my body went limp. Then two more punks appeared and they beat and kicked me until I passed out."* **They left him for dead.** Please pray for David's health to be restored. He was beaten because he had the conscience of a believer, but his church was refused a permit to occupy their space because the local government leaders did not want a spiritual "supermarket" in the area. At the same time they approved a mosque. When he tried to open a conference center he was told he wouldn't get permission **because** he was a pastor. So much for religious freedom in France right now!

President Sarkozy is adamant that young French students must learn about the Holocaust. President Sarkozy proposes that grade school students "adopt" a same-age Jewish child who died in the Holocaust and learn all about what happened to them! We believe that, though he's not a perfect man, French President Nicolas Sarkozy is God's man for this hour in France. He is Jewish, pro-Israel, and pro-American. His role serves to open a window of time for God's spirit to move in favor of salvation for the Jews, and "life from the dead"... a Great Awakening in France. Please pray for President Sarkozy.

"Messianic Church Arising" by Dr. Robert Heidler is a "Must-Read" in France!

There is **SO** much fervent hunger here to know about God's original plan for the Church and what God is restoring in this day. Everyone who reads this book wants more and more copies, so we're working on translating and printing it in French. You can order English copies from www.glory-of-zion.org

David & Leslye sharing in Nuremberg, Germany Rue Carnes in the 1880's and today Anti-Nazi graffiti

We have found a new home in Paris beginning in Sept. 2008. It is on Rue Carnes in the area of The Sorbonne in the heart of Paris. We are returning to a university atmosphere where we began in Jewish ministry in 1974.
