

Great Greetings Friends! Thank you for your encouragement of our work in the Harvest fields of Ukraine, France and new places the Lord is leading us. We have seen many Jewish people touched with a Gospel they can understand and feel. We are teaching them a Biblical explanation of God's covenant plan for Israel and the nations.

Please consider a generous year-end partnership gift now, as we together move forward into 2007. You can read in Luke 7 and Acts 10 of the specific blessings that flowed to those who chose to practically bless the Jewish people. Please be blessed with us as we reach the lost sheep of the House of Israel. With Love & Shalom,

David & Leslye

BATTLING THE STRONGHOLDS OF ANTI-SEMITISM IN UKRAINE AND FRANCE

“NO NAZIS” says Odessa graffiti showing a swastika being thrown into a trash can!

*Ukraine's 5 Grivna bill (= \$1.00) features **Bohgdan Khmelnytsky** who led massacres of at least 100,000 Jews.*

Murdered French Jew, Ilan Halimi

In Paris in March 2006, a young Jewish man was murdered just because he was a Jew by a Muslim gang known as “The Barbarians.” In November, French police arrested gang members who had abducted, tortured and murdered Ilan.

“I will bless those that bless thee and curse those that curse thee. (Gen 12:3).

No wonder poverty and corruption grip Ukraine! Imagine the power unleashed in a nation when even the everyday money features the man who was one of the worst mass murderers of the Jewish people in their history. The estimates of Jewish dead in the mid-seventeenth century run from 100,000 to 3,000,000. Khmelnytsky earned the names, “**Bohgdan the Butcher**” and “**Khmel the Wicked.**” Since Ukraine has supposedly been a Christian nation for 1,000 years, it is not a simple thing to explain the good news of Yeshua (Jesus) as the representative of the New Testament to the Jewish people with this kind of history enshrined on its money.

SO HOW TO COMBAT RISING ANTI-SEMITISM IN EUROPE?

In Odessa and France we have adopted strategies of evangelism and Biblical training to begin to combat anti-Semitism. We have added English clubs to our practical efforts to bless the Holocaust survivors. “**The goodness of God leads you to repentance**” (Rom 2:4) as does preaching God's Word. So we continue to provide Survivors with medicines and humanitarian aid along with now helping them to speak English. We also celebrate the feasts with them which they were not able to do here for many years because of fear of discrimination and severe reprisals. They are blessed practically and spiritually, and slowly they express interest in our spiritual beliefs as Messianic Jewish believers. Many now have come to faith in Yeshua as their Messiah. In both **Ukraine and France** we continue to teach Jews and Gentiles the Jewish context of the Gospel and the Jewish roots of the early church. **We've developed a seminar which we can share in your congregation that will equip your leaders and members with a Biblical understanding of how to embrace “the apple of His eye.” (Zech 2:8)**
